

## DubSuite Partner Agreement Form

This DubSuite Partner Agreement ("Agreement") governs participation by independent software partners, application providers, consultants, consulting firms, implementation partners, service providers, and other businesses or professionals (collectively, "Partners") that create an account, profile, product or service listing, or otherwise participate as a Partner on the DubSuite marketplace ("Platform").

The Platform is operated by DubSuite LLC ("DubSuite," "we," "us," or "our").

By registering as a Partner, creating or maintaining a Partner profile or listing, otherwise participating as a Partner on DubSuite, and signing and submitting this Agreement, the Partner agrees to this Agreement, the DubSuite Partner Terms, DubSuite Terms of Use, and DubSuite Privacy Statement.

If an individual enters into this Agreement on behalf of a company or organization, that individual represents and warrants that they are authorized to represent and bind that company or organization.

### 1. DEFINITIONS

**1.1 "Partner"** means any individual or entity that creates or maintains an account, profile, product or service listing, or otherwise participates as a Partner on DubSuite.

**1.2 "Customer"** means any individual or business that interacts with, contacts, or inquires about a Partner or Partner listing through DubSuite.

**1.3 "Platform"** means the DubSuite website, DubSuite.com, and its associated marketplace services.

### 2. DUBSUITE MARKETPLACE

DubSuite is an independent marketplace that enables businesses to discover and connect with third-party applications, software solutions, consultants, consulting firms, implementation providers, and related professional services.

DubSuite provides the Platform solely for discovery, listing, inquiry, and connection purposes. DubSuite does not provide, develop, sell, license, implement, support, warrant, or guarantee any Partner product or service unless expressly agreed otherwise in writing.

Partners are independent third parties. Each Partner is solely responsible and accountable for its products, services, representations, commitments, performance, conduct, customer relationships, and compliance with applicable laws.

DubSuite is not the agent, representative, partner, employer, joint venturer, or other representative of any Partner. DubSuite also does not act as the agent, representative, advisor, or advocate of any Customer or prospective Customer using the Platform.

Unless expressly agreed otherwise in writing, DubSuite is not a party to any agreement, transaction, engagement, or dispute between a Partner and a Customer. The discovery of or connection between a Partner and Customer through DubSuite does not create any responsibility or liability on the part of DubSuite for the acts, omissions, products, services, representations, or obligations of either party.

### **3. PARTNER ELIGIBILITY AND AUTHORITY**

By participating as a Partner on DubSuite, the Partner represents and warrants that:

- the Partner has the legal capacity and authority to enter into this Agreement;
- if participating on behalf of a company or organization, the individual acting on its behalf is authorized to represent and bind that organization;
- all information provided to DubSuite is accurate, complete, and current;
- the Partner possesses all licenses, qualifications, permissions, intellectual property rights, and other authority necessary to offer and promote the products or services it lists; and
- the Partner's participation in DubSuite does not violate applicable law or any contractual obligation applicable to the Partner.

DubSuite may request information reasonably necessary to verify a Partner's identity, organization, authority, qualifications, or eligibility.

### **4. PARTNER ACCOUNTS**

Partners are responsible for maintaining accurate account information and safeguarding their account credentials.

Partners are responsible for all activity conducted through their Partner accounts and must promptly notify DubSuite if they become aware of unauthorized access or suspected misuse.

DubSuite may restrict access to an account where reasonably necessary to protect the Platform, Customers, Partners, DubSuite, or third parties.

### **5. PARTNER PROFILES AND LISTINGS**

Partners may submit Partner Content for publication through the Platform.

Partners are solely responsible for ensuring that Partner Content:

- is truthful, accurate, complete, and current;
- is not false, deceptive, or misleading;
- accurately represents the products or services offered;
- does not infringe the intellectual property, privacy, publicity, or other rights of any third party;
- is legally permitted to be published and used by DubSuite; and
- complies with applicable law, this Agreement, the DubSuite Partner Terms, and applicable DubSuite marketplace requirements.

Partners must promptly update materially inaccurate or outdated information.

DubSuite does not independently verify or guarantee the accuracy, completeness, quality, performance, or reliability of Partner Content or the products and services described in Partner Listings.

## **6. LISTING REVIEW, APPROVAL, AND REMOVAL**

Submission of a Partner profile, product, application, or service does not guarantee publication or continued listing on DubSuite.

DubSuite may review Partner profiles and Listings and may:

- approve or reject a Listing;
- request additional information or revisions;
- edit formatting or presentation without materially changing the Partner's representations;
- categorize or recategorize Listings;
- decline to publish content;
- temporarily suspend, disable, or unpublish a Listing; or
- remove a Listing from the Platform.

DubSuite may take such action where content is inaccurate, misleading, outdated, unlawful, inappropriate, inconsistent with marketplace standards, or otherwise violates this Agreement or applicable DubSuite terms or requirements.

DubSuite may establish and update listing standards, categories, required information, and marketplace guidelines as the Platform evolves.

## **7. FREE LISTING REQUIREMENTS**

Where a Partner participates in DubSuite under a free-listing arrangement, the Partner agrees to the following requirements.

### **7.1 Marketplace Promotion**

As a condition of maintaining a free Listing on DubSuite, the Partner is required to publicly share or announce its DubSuite Listing through at least one appropriate business or social media channel within three (3) business days after DubSuite confirms that the Partner's Listing is publicly live.

The announcement must include a link to the Partner's DubSuite Listing.

The Partner must not announce the Listing before DubSuite confirms that the Listing is ready for public promotion.

DubSuite may provide the Partner with a Social Media Sharing Toolkit, suggested copy, graphics, badges, or other promotional materials to make this requirement easier to fulfill. Partners may customize the content to reflect their own brand and messaging, provided the announcement clearly communicates that the Partner and/or its applicable products or services are listed on DubSuite.

Compliance with this marketplace promotion requirement is a condition of the Partner's free Listing. If the Partner does not complete the required announcement within the specified period, DubSuite may suspend, unpublish, disable, or remove the Partner's Listing from the Platform until the requirement is satisfied.

Continued or repeated non-compliance may result in termination of the Partner's free Listing.

## **7.2 DubSuite Customer Discount**

The Partner will provide Customers referred through DubSuite with a discount of at least ten percent (10%) on applicable products or services.

Where the Partner publicly states or publishes pricing for the applicable product or service, the price offered to the DubSuite-referred Customer must be lower than the Partner's publicly stated price.

## **7.3 DubSuite Customer Contact Process**

The Partner must not include information in its DubSuite Listing that intentionally encourages prospective Customers to bypass DubSuite's customer inquiry or contact process.

Partners must not use their Listings to intentionally direct Customers outside the Platform for the purpose of circumventing DubSuite's inquiry or Lead-capture process. Customer inquiries generated through DubSuite must be captured through the Platform or another contact method designated or approved by DubSuite.

## **7.4 Alternative Listing Fee**

If a Partner does not participate under or comply with the applicable free-listing requirements, DubSuite may require the Partner to participate under a paid arrangement.

Unless otherwise agreed in writing, the applicable fee will be thirty percent (30%) of the Partner's product price or US\$2,000, whichever is greater, payable quarterly.

Any alternative or additional commercial arrangement agreed between DubSuite and the Partner will apply according to its applicable terms.

## **8. CUSTOMER INQUIRIES AND LEADS**

DubSuite will make Customer inquiry information available to the applicable Partner through the Platform or other designated communication method as reasonably practicable after the inquiry is received.

Partners agree to follow up on Customer inquiries received through DubSuite within one (1) business day.

Partners may use Customer information received through DubSuite only for legitimate purposes related to the Customer's inquiry or as otherwise authorized by the Customer.

Partners must not sell, improperly disclose, misuse, or unlawfully process Customer information.

DubSuite does not guarantee the number, quality, authenticity, value, or conversion of Customer inquiries or Leads.

## **9. PARTNER PRODUCTS AND SERVICES**

Partners are solely responsible and accountable for their applications, software, products, consulting services, implementation services, professional services, and other offerings.

Partners represent that their products and services will materially perform and be delivered as represented to Customers.

The Partner is solely responsible for:

- product functionality and performance;
- accuracy of product and service descriptions;
- implementation and service delivery;
- security and privacy;
- documentation;
- Customer support;
- warranties and representations;
- compliance with applicable laws and regulations;
- pricing and commercial terms;
- billing and collection;
- taxes; and
- Customer complaints, claims, refunds, remedies, damages, and disputes.

If a Partner's product or service materially fails to perform as represented and the Partner is unable to remedy the failure within a reasonable period, the Partner will provide the affected Customer with a full refund of amounts paid for the applicable product or service.

A Listing on DubSuite does not constitute certification, endorsement, recommendation, warranty, or guarantee by DubSuite of the Partner or its products or services.

## **10. CUSTOMER RELATIONSHIPS AND DISPUTES**

Any purchase, subscription, license, consulting engagement, implementation, statement of work, or other commercial arrangement resulting from a connection made through DubSuite is entered into solely between the Partner and the Customer, unless expressly stated otherwise in writing by DubSuite.

The Partner is solely responsible and accountable for:

- evaluating and accepting Customers;
- establishing its Customer agreements;
- pricing and commercial terms;
- representations and commitments made to Customers;
- product functionality and performance;
- implementation and service delivery;
- warranties and service levels;
- Customer support;
- billing and collection;
- refunds and remedies;
- privacy and security obligations relating to its products and services; and
- Customer complaints, claims, losses, damages, and disputes arising from the Partner's products, services, acts, or omissions.

DubSuite does not represent the Partner or the Customer and has no authority or obligation to negotiate, administer, enforce, perform, or resolve any agreement between them.

The Partner is solely responsible for resolving claims or disputes arising from or relating to its products, services, representations, commitments, acts, or omissions directly with the applicable Customer.

To the fullest extent permitted by applicable law, DubSuite will not be responsible or liable for the acts, omissions, representations, products, services, performance, non-performance, misconduct, negligence, breach, or other conduct of a Partner.

## **11. CUSTOMER DATA AND PRIVACY**

Partners must protect Personal Information, confidential information, proprietary information, and other non-public Customer information received through DubSuite or obtained in connection with their products or services.

Partners must:

- use Customer information only for legitimate and authorized purposes;
- maintain reasonable administrative, technical, and organizational safeguards;
- limit access to individuals who reasonably require the information;
- maintain the confidentiality of non-public Customer information;
- comply with applicable privacy and data-protection requirements;
- not sell or improperly disclose Customer information; and
- appropriately address unauthorized access, use, or disclosure for which the Partner is responsible.

A Partner must not export, transfer, or otherwise move Customer data outside the Customer's NetSuite environment or other originating system without the Customer's authorization where such authorization is required.

Where a Partner's application or service accesses, processes, stores, transfers, or exports Customer information outside the Customer's originating environment, the Partner is solely responsible for clearly informing the Customer and obtaining any authorization or consent required by applicable law or the Partner's agreement with the Customer.

Partners must ensure that Customer data is handled in compliance with applicable privacy and data-protection laws and regulations, including, where applicable, the General Data Protection Regulation ("GDPR") and California Consumer Privacy Act ("CCPA").

DubSuite is not responsible for a Partner's collection, use, storage, transfer, disclosure, loss, or security of Customer information once that information is under the Partner's control.

## **12. CONFIDENTIALITY**

### **12.1 Definition of Confidential Information**

For purposes of this Agreement, "Confidential Information" means all non-public information disclosed by one party ("Disclosing Party") to the other party ("Receiving Party"), whether orally, electronically, visually, or in writing, that is designated as confidential or that, by its nature or the circumstances of disclosure, should reasonably be understood to be confidential.

DubSuite Confidential Information includes, without limitation:

- Customer data or information obtained by a Partner through interactions on the Platform;
- non-public technical, operational, financial, commercial, or business information regarding DubSuite; and

Partner Confidential Information includes, without limitation:

- business and marketing plans;
- product designs and technical information;
- business processes; and
- non-public information disclosed in connection with discussions or the relationship between the Partner and DubSuite.

Confidential Information does not include information that the Receiving Party can demonstrate:

- becomes publicly available through no breach of this Agreement or other obligation owed to the Disclosing Party;
- was lawfully known to the Receiving Party before disclosure without a confidentiality obligation;
- is lawfully received from a third party without breach of an obligation owed to the Disclosing Party; or
- is independently developed by the Receiving Party without use of or reference to the Disclosing Party's Confidential Information.

Notwithstanding the foregoing, Customer data and Personal Information will remain subject to applicable confidentiality and data-protection requirements.

## **12.2 Protection and Use of Confidential Information**

The Receiving Party agrees to:

- protect Confidential Information using the same degree of care it uses to protect its own confidential information of a similar nature, but in no event less than reasonable care;
- use Confidential Information only for purposes related to this Agreement and the parties' relationship;
- not disclose Confidential Information except as permitted under this Agreement; and
- limit access to employees, contractors, affiliates, professional advisers, or other representatives who reasonably need access for purposes related to this Agreement and who are subject to confidentiality obligations appropriate to the nature of the information.

Neither party may disclose the non-public terms of this Agreement to third parties except to its affiliates, legal counsel, accountants, auditors, professional advisers, or as required by law, provided that the receiving person is subject to appropriate confidentiality obligations where applicable.

## **12.3 Compelled Disclosure**

If the Receiving Party is legally compelled to disclose Confidential Information of the Disclosing Party, the Receiving Party will, to the extent legally permitted, provide reasonable prior notice to the Disclosing Party.

The Receiving Party will provide reasonable assistance, at the Disclosing Party's expense, if the Disclosing Party seeks to contest or limit the disclosure.

The Receiving Party will disclose only the portion of Confidential Information legally required to be disclosed.

### **13. PARTNER CONTENT AND INTELLECTUAL PROPERTY**

Partners retain ownership of their intellectual property and Partner Content.

By submitting Partner Content to DubSuite, the Partner grants DubSuite a non-exclusive, worldwide, royalty-free license to host, reproduce, display, format, distribute, promote, and otherwise use the Partner Content as reasonably necessary to:

## **17. INDEPENDENT RELATIONSHIP**

Partners participate in DubSuite as independent businesses or professionals.

Nothing in this Agreement creates an employment, partnership, joint venture, franchise, agency, fiduciary, or other similar relationship between DubSuite and a Partner.

Partners have no authority to make representations, commitments, warranties, or obligations on behalf of DubSuite.

DubSuite likewise does not act as an agent, representative, advisor, or advocate of any Customer and does not owe a Partner any obligation arising from a Customer's conduct, decisions, representations, or failure to proceed with a transaction.

## **18. NO GUARANTEE OF MARKETPLACE RESULTS**

DubSuite does not guarantee that participation in the Platform will result in Customer inquiries, sales, engagements, revenue, marketplace visibility, search placement, or any other business outcome.

DubSuite does not guarantee that any Customer inquiry will be genuine, qualified, complete, accurate, or result in a transaction.

Marketplace presentation, categories, search results, featured content, functionality, and placement may change as DubSuite develops and improves the Platform.

Where reasonably practicable, DubSuite may provide the Partner an opportunity to correct an issue before suspension or removal.

DubSuite may take immediate action where reasonably necessary to protect Customers, Partners, the Platform, DubSuite, or third parties.

## **20. INDEMNIFICATION**

To the fullest extent permitted by applicable law, the Partner agrees to defend, indemnify, and hold harmless DubSuite LLC and its affiliates, officers, directors, employees, representatives, and agents from and against third-party claims, liabilities, damages, losses, judgments, and reasonable costs and expenses arising from or relating to:

## **21. DISCLAIMERS**

### **21.1 No Endorsement**

DubSuite does not endorse, guarantee, certify, recommend, or warrant the products or services offered by any Partner.

The Partner acknowledges that participation in or Listing on the DubSuite Platform does not constitute an endorsement, certification, recommendation, sponsorship, warranty, or guarantee by DubSuite.

### **21.2 Platform and Marketplace Disclaimer**

The Platform and Partner marketplace functionality are provided on an "as-is" and "as-available" basis.

To the fullest extent permitted by applicable law, DubSuite disclaims warranties regarding the Platform, Partner Listings, Customer inquiries, and transactions or relationships resulting from use of the Platform.

To the fullest extent permitted by applicable law, DubSuite assumes no responsibility or liability for any Partner or for any Partner's products, services, acts, omissions, representations, commitments, performance, non-performance, negligence, misconduct, breach, or dealings with Customers.

DubSuite's role in listing a Partner, displaying Partner Content, transmitting a Customer inquiry, facilitating discovery, or otherwise connecting a Partner with a Customer does not constitute endorsement, certification, recommendation, representation, warranty, or assumption of responsibility by DubSuite.

The Partner remains solely responsible and accountable for its products and services and for all obligations, claims, losses, damages, liabilities, refunds, disputes, and other consequences arising from or relating to its dealings with Customers.

DubSuite is not responsible or liable for any agreement, transaction, payment, implementation, service delivery, warranty, dispute, loss, damage, injury, data issue, security incident, or other matter arising between a Partner and Customer.

Nothing in this Agreement excludes or limits liability that cannot lawfully be excluded or limited.

### **23. FORCE MAJEURE**

Neither DubSuite nor the Partner will be liable for any failure or delay in performing its obligations under this Agreement to the extent such failure or delay results from circumstances beyond the affected party's reasonable control, including, without limitation, natural disasters, acts of God, fire, flood, war, terrorism, civil unrest, pandemics, epidemics, labor disruptions, failures of utilities or telecommunications services, governmental actions or restrictions, or other events beyond the affected party's reasonable control.

The affected party will use commercially reasonable efforts to resume performance as reasonably practicable.

### **24. CHANGES TO PARTNER TERMS AND PLATFORM REQUIREMENTS**

DubSuite may update its Partner Terms, Platform terms, marketplace requirements, policies, or guidelines from time to time to reflect changes in the Platform, marketplace model, business practices, or applicable requirements.

Updated Partner Terms may be published on DubSuite with a revised "Last Updated" date.

Where changes are material, DubSuite may communicate such changes to Partners by email, through the Platform, or by requiring Partners to review and accept updated terms before continuing to access Partner functionality or maintain Listings.

Continued participation following the effective date of updated terms may constitute acceptance where permitted by applicable law and where the Partner has been provided appropriate notice.

### **25. GOVERNING LAW AND JURISDICTION**

This Agreement is governed by and construed in accordance with the laws of the State of Utah, without regard to its conflict-of-law principles.

Any legal action or proceeding arising from or relating to this Agreement will be brought in the applicable state or federal courts located in Utah, unless otherwise required by applicable law.

## **26. RELATIONSHIP TO OTHER DUBSUITE TERMS**

This Agreement supplements the DubSuite Partner Terms, Terms of Use, Privacy Statement, and other applicable Platform policies.

If this Agreement conflicts with the DubSuite Terms of Use specifically concerning Partner participation, accounts, profiles, Listings, products, services, or Partner activities, this Agreement will control with respect to that subject matter.

If this Agreement and the DubSuite Partner Terms address the same subject matter, they should be interpreted consistently to the fullest extent reasonably possible. In the event of a direct conflict concerning the Partner's participation in the Platform, this signed Agreement will control.
